# WELCOME

## Welcome to our STEM career development academy programs guide

Welcome to the Wenite Academy!

I am thrilled to introduce you to our programs designed to empower professionals, students, and graduates in the STEM fields. When I founded this Academy, my vision was to bridge the gap between academic knowledge and industry demands, creating a seamless transition for individuals at every stage of their career journey.

Our mission is to provide accessible, action-based career development resources that drive innovation in STEM industries. We achieve this by offering hands-on training, personalized mentorship, and a vibrant community of like-minded individuals. As a non-profit organization, we reinvest all profits into making our programs more affordable and impactful, ensuring that everyone has the opportunity to succeed and thrive.

I invite you to explore our brochure and discover the various ways we can support your career aspirations. Whether you're a seasoned professional looking to advance, a recent graduate stepping into the job market, or a student eager to learn, we have tailored programs that meet your needs.

Thank you for considering the Academy as your partner in career development. We are committed to your success and look forward to being part of your journey.

*Jennifer Dominic BSc (Hons)*

# About us

## About Wenite

We maximise commercial value by developing high impact, next generation strategies and activation plans. Aiming to enhance the performance, competitiveness and capability of brands and people in STEM.

## About Wenite Academy

We run programs that integrate technical expertise with transferable skills. Providing students and graduates with a smooth transition into the professional world, enabling them to meet industry demands and thrive in dynamic work environments. For experienced professionals, we support with tools needed to excel in their foundational years or transition to a more fulfilling role.

## Our Promise To You

We refuse to adopt a one-size-fits-all approach. Our commitment is to genuinely make a difference in the STEM community. We are innovative and dedicated to putting you at the centre of everything we do through real people in the jobs and industries.

## What We Do

- Career Profiles
- Academy Programs
- Professional Services
- Community Career Events

# Our Team

Our dedicated team of industry experts and mentors brings vast experience and a commitment to guiding you on your career journey. Through their insights and support, you'll gain valuable knowledge and skills to advance your career.

# Participating and Studying at Wenite

## Benefits of Studying with Wenite

### **Real-World Preparation:**

Equip yourself with practical skills and strategies tailored for the job market, ensuring you're ready to excel from day one.

### **Experienced Mentors & Community Belonging:**

Learn from passionate, seasoned professionals while engaging with a supportive, diverse network of peers and industry experts.

### **Career Path Roadmaps & Success Planning:**

Receive detailed guidance on navigating STEM careers, personal branding, and mastering interactions, interviews, and negotiations for career success.

## Our Impact

### **Reinvested Profits & Industry Ties:**

Our non-profit model reinvests all profits into career resources, enhanced by partnerships with top STEM organisations.

### **Focused on Your Success:**

We prioritise your career growth, with proven success stories of professionals and undergraduates advancing or transitioning in their careers.

### **Expert Network Access:**

Connect with experienced professionals and a diverse talent network to boost your career trajectory.

### **Alumni Success & Priority on Success:**

Our priority is your success, as proven by numerous success stories of students securing jobs and advancing their careers through our tailored programs.

### **Passionate Professionals & Network of Talent:**

Learn from real industry professionals within a broad, diverse network, giving you the connections and insights needed to achieve your career goals.

By participating and studying at Wenite, you gain access to a wealth of resources, a supportive community, and the practical knowledge needed to excel in the STEM industries. Join us and transform your career journey with real-world experiences and dedicated support.

# Testimonials

**Joe** (University Lecturer)

My students come from a wide variety of backgrounds, carry with them an enormous variety of skills, passions and interests, and study a diverse range of subjects in their time with us. Wenite offers an opportunity for both my students and me to gain awareness of the variety of jobs available to graduating scientists (and beyond!) and an authentic overview of what those careers involve 'from the horse's mouth'.

The insights from the sessions have been immediately applicable to my academic and professional life. The programme exceeded my expectations in every way.

**Kuda**

(Final Year Life Sciences Student)

The experience exceeded my expectations with advice in areas like CVs, LinkedIn, and personal branding. It gave me the direction I needed.

**Layla** (Final Year Student)

**Annie**

The structured guidance and networking opportunities provided by Wenite were crucial for my career advancement. I gained valuable industry insights and connections.

(Experienced Professional)

# Celebrate Your Success!

As you reach the end of your journey with Wenite Academy, we're excited to acknowledge your hard work and achievements. Upon graduation, you'll receive a certificate recognising your dedication and newfound expertise.

Additionally, you have the opportunity to be featured on our website's Alumni Highlights, showcasing your accomplishments and enhancing your professional profile. This recognition not only celebrates your success but also connects you with a thriving network of industry professionals.

Join us in marking this significant milestone and continue to leverage the skills and connections you've gained to propel your career forward. Congratulations on your remarkable achievement!
